Cheese & Bees

&

COMBINED

The Cheese Barrel and the Beekeepers from The House of Honey are pairing up to bring you a trio of delights.

The Art of beekeeping will be brought to you by Rupert and his apprentice beekeeper Matthew. They will direct you in some strong foundations to start your beekeeping hobby.

Rupert has been working with bees and collecting honey since he was a child and this is a wonderful opportunity to learn from his wealth of knowledge and experience. View a section of a hive, learn about the different roles each of the bees play and experience a honey extracting demonstration.

The experience staff from the Cheese Barrel will then have fun pairing honey and cheese. There are so many combinations and they can't wait to share them with you. Lastly you can enjoy a sample of Mead (Honey Wine). We will talk to you about Meads and their different styles whilst all happening in the wine basement!

Added extras allow you to visit Olive Farm Winery or The Cheese Barrel for lunch of a Honey Month Cheese Board.

Date: 19th May

Time: 10am – 12pm

Place: The Cheese Barrel, 920 Great Northern Highway,
Millendon 6056, held in the Olive Farm Wine basement

Price: \$35pp

Bookings: Ticketed event through Eventbrite (Limited to 60 tickets)

Honey Month Cheese Board

The Cheese Barrel is the perfect setting, pairing 'far away feels' with a great range of local produce so close to home. Good old fashioned hospitality, the Swan Valley's largest selection of local & international cheeses and stunning wines produced next door at Olive Farm Wines. The hardest thing you'll have to do is choose your favourites. Specially arranged for the Honey Month: board with 3 Premium selected cheeses served with honey, seasonal fruit, freshly baked bread & lavosh.

Date: 1st – 31th May

Time: Monday – Sunday 10am – 5pm, available to order
every day

Honey Hackathon 2019

Y HUB

After such a successful event last year, we are running the Honey Hackathon again. As you all know, Western Australian honey is the purest in the world as we have the healthiest bees. This is a result of our commitment to quarantine and our Honey Bees feeding from vast stretches of endemic flora. The challenge is how can we make international markets recognise the value proposition of our honey? The morning will provide an overview of Honey Bee Products and hearing from inspirational speakers. The afternoon will be used to be mentoring you to develop your product idea for pitching, before socialising over dinner as a wind-down after a full day.

Date: 11th of May
Time: 8am – 8pm
Place: Y Hub, CoWorking for Everyone, 128 Yanchep Beach Road, Yanchep 6035
Cost: \$56pp
Bookings: Eventbrite – Honey Hackathon

Perth Hills Region

Spit in the Hills CHIDLOW TAVERN

We are super-excited to announce that the second annual 'Spit in the Hills' is joining forces with the Progressive Axemen's Association WA and Honey Month to present an eclectic weekend featuring an international KCBS sanctioned BBQ contest alongside a traditional wood chop competition, as well as a celebration of the noble Honey Bee and artisan markets.

Bring the whole family for a great day out in the Hills, with **free entry for spectators**. The Chidlow Tavern will be firing up their BBQ and vending alongside some of the teams, plus the return of Chidlow Choice - where spectators can become judges, test your taste buds with the blind honey challenge or prove your wood chopping skills on Sunday. We are also teaming up with National Honey Month and bringing in local expertise in beekeeping and honey producing. Festival goers will have a wonderful opportunity to learn about bees, beekeeping, hives, breeding of queens, and best of all ~ a chance to taste some of our local honey. Our markets will also include a wonderful range of bee products for you to sample and purchase.

Date: 4th & 5th May
Time: 10am – 10pm
